

Black River

MEMORIAL HOSPITAL

CHEMOTHERAPY IS NOW AVAILABLE AT OUR NEW INFUSION CENTER

As part of our continuous effort to improve the services we provide to help our patients live healthier lives, Black River Memorial Hospital is excited to be offering chemotherapy for the first time. Infusion therapies, including chemo, are now available at our new Infusion Center. Located with easy access to the hospital entrance, our Infusion Center creates a comfortable and private environment for all our patients—now closer to home.

For more information, or to start the referral process, call: 715-284-3404

FLEXIBLE SCHEDULING

The Infusion Center is open 7:30 a.m. to 4:30 p.m. Monday through Friday.

IDEAL LOCATION

The Infusion Center is located on the first floor of the hospital, near the entrance, for your convenience.
